1999-2000	10,000	1,829.14

(c) The target was achieved only in 1998-99 as shown in reply to parts (a) and (b) above.

(d) In the year 1998-99, minority shares of VSNL, CONCOR, IOC, GAIL and ONGC were sold through public offer and cross-purchase of shares between PSUs.

(e) Implementation of the disinvestment programme depends on a variety of factors including market conditions, industry-wise business cycle fluctuation, interest of the prospective bidders, the adequacy of the price bid etc. Moreover, Government does not sell its equity holding in distress. In cases where the value of land and buildings is significant, often the delay occurs because the property rights are unclear and legally establishing these property rights takes time, though it is necessary to do so to maximise the realisable value. In view of this it is not always possible to meet the annual targets.

Indo-US Bilateral Impunity Treaty

990. SHRI K. RAHMAN KHAN: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) the details of the Indo-US Bilateral Impunity Treaty signed in December, 2002;

(b) in what way it would be beneficial to India; and

(c) the reaction of the Amnesty International and other such Human Rights bodies thereto?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI DIGVIJAY SINGH): (a) The Agreement between the Governments of India and the United States regarding the surrender of persons to international tribunals was signed on December 26, 2002 in New Delhi. Entering into this Agreement with the United States furthers the Government's objective of retaining the primacy of national judicial processes for its citizens.
